RE: Public Records Requests

Dear Mr. Hoover:

Following our aggregation of your seven public records requests made to this office this month, which was explained in our May 17 and May 22 correspondence to you (enclosed), we received a letter apparently sent on your behalf by the MuckRock Foundation of Somerville, Massachusetts. The letter included a personal check for the total estimated cost of the requests aggregated as of May 17, though notably, not the total cost following the May 22 aggregation.

Given the procedures involved and the potential cost to the state of processing that personal check, both the May 17 and May 22 public record request response forms expressly required payment by money order. Because payment by personal check is not an acceptable form of payment for your request, we have returned by mail the personal check sent on your behalf and continue to require payment by money order before your request will be processed. Please make this money order payment to our office by June 7, 2019; and failure to deliver payment by that date will result in the denial of your requests.

Finally, if you would like to discuss narrowing your records requests to reduce the estimated costs of fulfilling them—some of the requests include very general terms or names or are so general in scope that they are likely to generate many records—please feel free to contact me at (615) 837-5166.

Sincerely,

Clark Milner

Our Office previously supplied records responsive to one of your May 1, 2019 requests on May 8, 2019 at no charge and will continue to waive the charges for responding to that request, even though such charges would otherwise apply as part of the aggregation process. Our Office also responded to your other two May 1 requests.

You have the right to appeal this Office's decision to aggregate your requests to the Office of Open Records Counsel.

Sincerely,
